

HONORABLE MENTION PARTNERSHIP

Maryland Technology Development Corporation (TEDCO) and Naval Air Warfare Center Aircraft Division/Technology Transfer Program

Paul Fritz, Naval Air Warfare Center Aircraft Division

Title 15 U.S.C., Section 3715 (Use of Partnership Intermediaries) specifically authorizes the Director of a Federal Laboratory to enter into memoranda of understanding and contracts with State and local governmental agencies and nonprofit entities owned, chartered, funded, or operated by or on behalf of a State or local government to perform partnership intermediary services that increase the likelihood of success in the conduct of cooperative or joint activities with small business firms and educational institutions that need or can make demonstrably productive use of technology-related assistance from a Federal Laboratory. These services include the promotion of cooperative or joint activities with small business firms and educational institutions that need or can make demonstrably productive use of technology-related assistance from Federal Laboratories.

The purpose of this Agreement is to promote cooperative activities between NAWCADPAX and small business firms and educational institutions served by TEDCO. The services to be provided by TEDCO as hereinafter described are intended to foster cooperative research and expand the transfer of technology between and among Federal laboratories, small businesses, and universities.
