

Guided Canyon Overlook Hike

Attendees seeking to gain a sense of place will truly appreciate this hike. It will be a relaxing hike to Rocky Gap's scenic Canyon Overlook that will include interpretive stops along the way highlighting the natural and cultural history. Hikers will visit the Scales & Tales aviary, the historic Bucy Cemetery and beautiful Canyon Overlook. From the overlook you can see the mile-long gorge from which the park gets its name. Hemlock trees, Rhododendron and Laurel line many of the trails in this area. The Scales & Tales aviary is home to many non-releasable birds of prey that are native to the area. Guests will have the opportunity to view them up close. This hike will give participants a wonderful overview of the rich natural and cultural history that makes up Rocky Gap State Park.
