

Poster Submission Guidelines

The Washington Metro Region Nanotechnology Partnership Forum will be held on September 13, 2010 at the National Institute of Standards and Technology (NIST) in Gaithersburg, MD (See attached flyer and draft agenda). We are seeking presenters to provide posters at the event.

- Posters may be from:
 - Economic Development Agencies
 - Federal Laboratories
 - Academia
 - Industry
- Exhibit display is from 8:00 am to 4:00 pm. Exhibit must be staffed from 12:15 pm to 1:15 pm.
- The poster session is designed to highlight nanotechnology capabilities and partnering opportunities.
- Posters should fall into one of the three following nanotechnology-related areas:
 - Biomedical applications
 - Advanced Materials
 - Electronics
- Posters should give sufficient details regarding the technical aspects of the technology, but should be general enough to be understood by a broad range of individuals, including non-technical audiences.
- Posters should be geared towards a business development audience and should highlight the commercial applications of the technology.

- Posters should be no larger than 4 feet by 7 feet.
- Presenters will be given the opportunity to provide additional materials on a general handout table.
- Those interested in presenting should provide a title and brief abstract of potential poster topics (50 words or less) to Charles Salahuddin at salahuddinc@mail.nih.gov by Tuesday, August 31, 2010.
- Abstracts will be reviewed and those selected to present a poster will be notified by September 3, 2010.

If you have any questions, please contact Charles Salahuddin at salahuddinc@mail.nih.gov or at (301) 846-5222.
