

**NATIONAL OCEANIC & ATMOSPHERIC ADMINISTRATION OFFICE OF
EDUCATION -- STUDENT OPPORTUNITIES**

http://www.oesd.noaa.gov/noaa_student_opps.html

This website is designed to provide information on NOAA's Educational student opportunities. This site provides information on scholarships, internships and fellowships including a brief description of each program; application deadline, amount of the award; dates of opportunity; program contact name, telephone number, and email address; and website for the various opportunities available throughout NOAA.

The Special Opportunities section contains student opportunities categorized by geographic location, underrepresented communities, and opportunities specific for students with disabilities.
